Amigo colecionador!

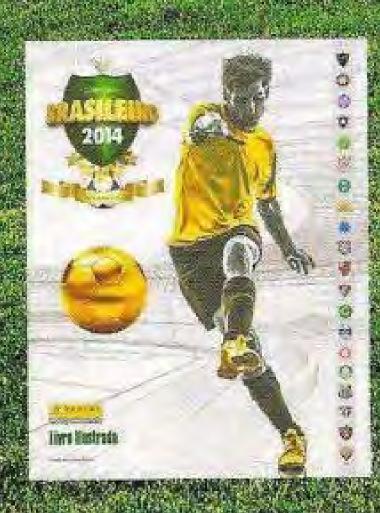

capa do álbum do Campeonato Brasileiro deste ano completa a trilogia do futebol: em 2013, foi a bola; em 2014, foi a vez do atleta e agora, em 2015, é a torcida. Três partes que, juntas, dão vida a este esporte que faz milhões de apaixonados torcerem pelo branco, pelo preto, pelo verde, pelo vermelho... O que importa é ter uma cor para torcer, seja ela qual for.

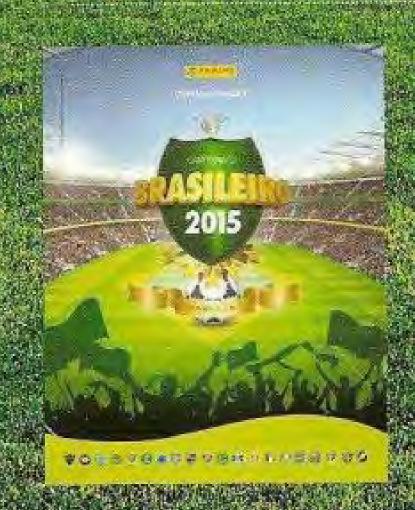

Para dar sentido a esta homenagem aos torcedores, a coleção deste ano traz algumas surpresas. Temos, como sempre, figurinhas de craques: Guerrero (Flamengo), Elias (Corinthians), Rogério Ceni (São Paulo), figurinha que deveria ser carimbada por, talvez, ser este o último campeonato deste que é um dos maiores atletas do futebol brasileiro da atualidade, Barrios (Palmeiras), Andrezinho (Vasco), Fred (Fluminense), Lucas Pratto (Atlético), De Arrascaeta (Cruzeiro), D'Alessando (Inter), Giuliano (Grêmio), Diego Souza (Sport) e muitos outros. E, como não podiam faltar, tem 160 figurinhas especiais: o troféu do Brasileirão, escudos, mascotes, bandeiras e uniformes.

Outra novidade bacana é ter as tabelas de resultados das Séries A e B do campeonato de 2014. Com elas, é possível se recordar daquele jogo que deu muita alegria ou daquele que é melhor nem se lembrar...

Por fim, voltando as capas, não deixe de acompanhar o nosso site (www.panini.com.br). É lá que você vai ficar por dentro de como participar da escolha da capa do album de 2016! Que tal? Bem, mas antes disso, aínda temos muito o que curtir neste álbum!
